Dover Civic Pride Campaign

**Working to make Dover a better place
to work, live and visit.**

**The Campaign is driven by people power
using computer power.**

O₂ Its your community Award

So what, who is the seahorse character ?
You will see two seahorses incorporated in the Dover District Council Coat of Arms.
We need all the help we can get so imagine if a seahorse with great magic powers lived in the White Cliffs.
A very good friend of the reindeer of Father Christmas able to reward all those children who help to make Dover clean and tidy especially at Christmas.

Child power is a very positive force in our campaign.

We were delighted to receive £ 1,000

O2 Its your community Award to help us with our Dover Civic Pride Campaign.

**We plan to grow this sum to sustain the campaign
Members can view on the website how we spend the money**

Check out www.itsyourcommunity.co.uk

Our aims are simple

- 1. Identify a defect then work to remove it.**
- 2. We will photograph the defect and then set out a plan of action.**
- 3. Our aim will always be to resolve the problem. This may involve a short term solution while we wait for more resources to provide a final solution. All the time we will be looking to improve the quality of our environment.**
- 4. The whole process can be followed on the website.**
